

Bentsi Georgia

My name is Bentsi Georgia, and I am working as an occupational therapist at the Alzheimer greek association. I am 23 years old and I graduated from Occupational Therapy department of the University of Western Macedonia in 2024. I am currently attending the postgraduate program << Neurosciences and Neurodegenerative Diseases >> at the Aristotle University of Thessaloniki. In previous years I participated in the following conferences: Conference: Modern therapeutic approaches to disability 17/4/2021, 3rd Interdisciplinary conference: Caring for the brain, 13-14/3/2023 Two-day conference: Occupational Therapy: New data and perspectives 23-24/11/2024. I have also been a founding member and vice president of the 1st student association of the occupational therapy department, in the year 2023/2024.
