

## Tsiotsi Foteini

My name is Foteini Tsiotsi and I am a psychologist with a strong academic and practical background in cognitive neuroscience. I hold a Bachelor's degree in Psychology from New Bulgarian University and a postgraduate diploma in Mental Health Counseling from the European International University. Currently, I am completing my MSc in Cognitive Neuroscience at Swansea University, specializing in brain recording and stimulation methods. My interests lie in clinical neuropsychology, EEG research, and non-pharmacological interventions that enhance cognitive well-being. I am deeply motivated to combine theory with hands-on experience, and I am passionate about contributing to research in the field of neuroscience.
